++ Valid for broadcast between 1800 and 0600

Headline:
Mainly dry, cold and bright for Friday.

This Evening and Tonight:
Clear spells and occasional wintry showers this evening and overnight, the showers falling mainly as snow away from the north coast. Widespread frost developing with ice expected on untreated surfaces. Minimum temperature -3 deg C (27 deg F).

Friday:
A few early snow showers possible but generally a cold, dry and largely sunny day with mainly light winds. Maximum temperature 4 deg C (39 deg F).

Outlook for Saturday to Monday:
Frosty start Saturday but generally a rather cloudy but milder weekend with outbreaks of mainly light rain. Monday looks wetter with more persistent and occasionally heavy rain, especially in west.
